

DUNSTON with COPPENHALL PARISH COUNCIL

Minutes of the extraordinary meeting held on 19th January 2017 held at Dunston Village Hall.

Those present;

Parish councillors-Mrs G Diggett [chair] - Mr J Richardson-Mr G Pliva- Mr J Bagnall.

One member of the public.

Apologies had been received from Mr D Jones clerk, who had a previous meeting at Hyde Lea parish.

Parish councillors-Mrs H Jones-Mr I Collard-Mr P Thompson, who all had work commitments.

Councillor Diggett opened the meeting at 7.30pm and explained that it had been summoned to discuss Planning Application 16/01133/FUL to build a new house at the site of 7 Fir Tree Close, Coppenhall.

It was decided that as this house was replacing an existing Chalet Bungalow in a street of other houses it would be not out of keeping and bearing in mind comments made from Coppenhall Councillors via email regarding this application, we would be happy to submit "No Comment" to the planning department, although we would be checking the Public access web site to make sure no objections had been made by local residents.

This would have been done prior to the meeting but unfortunately the Public access website had been unavailable for several hours before the meeting.

Meeting ended at 7.50pm
