

## **ADDENDUM TO MARCH 2011 CIRCULAR**

### **PLANET BB**

'Planet BB' is a new book produced in Birmingham but featuring the BB round the world as the title suggests. An excellent book to give as an award, or just to read out of pure interest. The book has a number of contributors from all over the world and is edited by Dave Chant who was until recently the Manager of the Wesley-Owen Christian bookshop in central Birmingham. You can get it direct from Dave, go on line and Google 'Planet BB'.
